Financial Affidavit of Support for J-1 Visiting Scholars

U.S. visa regulations require that J visa holders provide certified evidence of adequate funds to meet tuition and living expenses for a proposed program of research. The affidavit of support for the duration of research must have the sponsor's guarantee of support. Section 3 must bear the seal and signature of a bank official. Alternately, a letter bearing the bank's seal and signature stating that the funds can be transferred may be attached to the affidavit. A DS-2019 cannot be issued until an acceptable financial affidavit of support and certification of finances has been received by IIT.

If you plan to bring dependents to the U.S., you must provide evidence of additional financial support for each dependent. The minimum amount of support required per year will increase by \$4,000 for your spouse, and \$2,000 for each child.

IIT bears no financial responsibility should the sponsor withdraw or fail to provide funding.
